## POWER FOR WOMEN

This safe, cutting-edge product is formulated specifically for a woman's physiology and hormonal system. Some of the key homeopathic ingredients are HGH for rejuvenating the cells; ADP, 7-Keto, Adrenal, NADH, CLA, Chromium and Citrus Aurantium for energy, metabolism and fat-burning; Amino Acids for body tone and mental focus; and 5-HTP, Genisten, and HGH to support hormonal balance and mood.

**Power for Women** is ideal whether you are constantly on the go, have a career, kids, live in the gym, or just desiring more "umph" in your life. The 30 uniquely combined ingredients are designed to help maximize energy, hormonal balance, strength and tone, minimize the effects of stress, and assist you with a balanced and restful sleep, so you wake up in the morning 'ready to go.'

To deliver the most effective, safe and potent product possible, Always Young has created a process of Hybrid Homeopathy™ -- a blending of traditional homeopathy with our proprietary water technology, Essences of Gems, and Full Spectrum Light.

### Pure, Dynamic Water

PVM Water™ (Pure Vibrational Memory) is generated from our proprietary water technology which strips all pre-existing vibrational memory from the water. The result is a highly coherent, super-charged water optimized for retaining the highest level of vibrational resonance from our ingredients. This newly structured water is now primed for maximum absorption into the cells of the body.

### Gem Essences

Elixirs of Yellow Sapphire, Quartz and Charoite have been added to help boost energy, endurance and clarity, and assist with mood enhancement.

### Full Spectrum Light

Full spectrum light -- the healthy healing energy of the sun -- is infused during the manufacturing process to facilitate maximum cellular energy.
